

Tonight a momentous  
**Kiddush Hashem.**

Tomorrow it continues with **You!**

Ask yourself; Do my actions portray a Kiddush Hashem?

Do I...

- 1 Drive like a mentch?
- 2 Greet people warmly?
- 3 Conduct business honestly?

As you go about your day, you will encounter and influence many people, (wife, kids, work friends, etc.) Your facial expressions, the way you handle money, the way you drive, your 'please' and 'thank-you' are watched by all. Let those interactions be sweet... leaving a trail of true Kiddush Hashem.

*"Hashem's name should be beloved because of you."* - יונה
